VOCATIONS CORNER: “During my younger years, the Lord allowed a lot of loneliness in my life. I was quiet and shy and the church became my refuge; I always felt cared for by the priests and religious sisters there. I was intrigued by their joy and the presence of God so visible in them. This was something I wanted. I started going to adoration, where my faith and relationship with Jesus became my own. When I finished high school, I served as a missionary for a year and then decided to seriously discern religious life. Honestly, that time was hard; I didn't know anyone else discerning or how to go about it. ... God continued to affirm my desire for this vocation. When I learned about the Benedictine way of life, I felt as if I were reading my own journal.”

Sr. Fidelis Marie Lanowich; Missionary Benedictine Sister, Sioux City, Iowa
