VOCATIONS CORNER: “I learned from working in summer catechetical programs that I loved sharing the faith and that community prayer was a great source of strength. As I taught children about being open to the different vocations and God’s plan for their life, I began to take this advice to heart. I soon visited a Convent and fell in love with the charism: bringing Christ to the young and the young to Christ. Through the generosity of fellow parishioners, I was able to pay off my student loans before entering the convent. This is truly a blessing, and their prayerful support gives me the courage to keep saying ‘YES’.”
