VOCATIONS: Did you know that there are special seminaries for men entering the priesthood later in life, seminaries where students range from ages 25 to 60? Many of these men have thought about being a priest at one time or another but, for whatever reason, pushed the idea to the back of their minds. They are men who have made a career change to a second vocation, the priesthood. They are ordinary people, men who have been electricians, teachers, barbers, police officers, social workers, businesspeople, farmers, dentists. Some are widowers, even grandfathers. Diverse though their backgrounds may be, they now share one aim in life: to become a priest and serve God’s people. Could you be one of them?

RCIA: Classes are on Mondays and begin on Sept. 22 at the St. Dominic Annex at 7PM. If you wish to have more information, join, or have questions, please contact Fr. Ed Schaefer 618-526-4118.
