VOCATIONS: “My vocation to the Dominican Order and to the priesthood was carefully formed by God through the many people he placed in my life. First and most influential was my Syro-Malabar Catholic family, from whom I learned both the meaning of my faith and how to live it out. More than anyone else, my parents helped shape me as a man of faith and taught me to see everything in light of God’s providence. Everywhere I have lived – including in India, Calif., Missouri, Ohio and Alaska – friends, teachers, priests and others supported me and, most importantly, prayed for me. This constant stream of graces continues to sustain me through my formation as a Dominican friar. It is impossible to be a saint on one’s own.”
