VOCATIONS CORNER: "There is a real possibility that I never would have existed outside the womb.

My birth mother had scheduled an abortion, but grace intervened, and she placed me for adoption instead. When I first felt the call to the priesthood many years later, it seemed to come out of nowhere. Growing up, I thought about being a baseball player, a doctor, a game show host. But a priest? Never. Now I can see that the Lord was preparing me for this vocation from the very beginning. My parents adopted me and planted the first seeds of faith; the witness of good priests, religious sisters and lay teachers sowed countless more. Jesus drew me into his heart and led me to the seminary. I am humbled and grateful that he has chosen to share His priesthood with me." Father Ryan Kaup, Diocese of Lincoln, Ne.
